## Itiviti presented with 2016 Technology Award by TMT News

**Stockholm, SWEDEN, November 22, 2016** – Itiviti, world-leading technology provider for the capital markets industry, has been recognized by the 2016 Technology Awards, where Itiviti was named Best Capital Markets Technology Provider.

Presented by TMT News magazine, the 2016 Technology Awards highlights key players, individuals and innovative firms who have provided the world with new, cutting-edge technologies.

“We are very honored to be awarded as Best Capital Markets Technology provider,” said Torben Munch, CEO, Itiviti. “This recognition is an acknowledgement not only of business success, but also that our clients name Itiviti as their preferred partner and solution provider.”

The 2016 Technology Awards winners have been selected by voting, to which TMT News invited its subscriber base of over 82,000 and an additional base of industry specific individuals.

“The technology industry is a vital aspect of our lives, and those who work within it are responsible for the livelihoods of thousands, if not millions, of people who depend upon their products for their business and personal lives,” said Kaven Cooper, Awards Coordinator. “As such I am proud to recognize our deserving winners, and would like to wish them every success going forward.

Itiviti was recently also named a winner of the 2016 Technology Innovator Awards, presented by Corporate Vision (CV) Magazine. Tbricks by Itiviti was then recognized as Best Electronic Trading Technology Solutions & Most Innovative Trading Platform.
